	Ensure that every Library in the System is a key			
GOAL 1	destination for exciting and enriching programs			
	and events			
	OBJECTIVES	Activities	Accomplishments	
	Create model programs for replication throughout System for adults and children	Create collection related programs and displays, and display materials from throughout the System	<b>RBR Exhibits:</b> 'Ar'n't I a Woman?: Documentary Testament to the Female African American Slave Experience, Alexander Hamilton: The Man Who Made Modern America, Double Stars: Men & Women of Astronomy, Darwin: The Origin of Influence. All but the first exhibit had related programming. <b>Grosvenor Room Exhibits:</b> Presidential Songs, Colonial And Revolutionary Era Music, Star Gazing: Sounds of the Cosmos, Origins. <b>Twain Room Exhibits:</b> Life on the Mississippi, The Veriest Trash: Huck Finn in Popular Opinion, Huck Finn Abroad. <b>Gluck Archive Exhibits:</b> Polar World: Explorers on Ice, The Modern World of Charles Dickens, Japanese Print Making, Thanks to God. Reproductions of the Rare Book Room's Trouvelot astronomy prints and Edward Curtis' <i>The North American Indian</i> have been displayed in some System libraries.	
			RBR exhibit schedule set for 2010 and 2011.	
		Provide children's series programs for Buffalo Branches and System children's services support; CR coordinates Battle of the Books	Ongoing	
		Children/family programs: i.e., Family Place, summer reading program, program partnerships (i.e. Museum of Science, Explore and More)	Ongoing – WNED Raising Readers is expanding from Dudley to other libraries. We are working on Family Place Grant, Battle, Summer Block Party, etc.	
		Develop multi-year adult and children's programming plan	Have taken beginning steps with the hiring of the Lib. 4 and the formation of a programming team.	
		Create collection related programs and displays, and display materials from throughout the System	Meg's team is working on this in collaboration with Development and Special Collections.	
		Provide additional technology training for the public		
		Enhance teen use and participation through programming and outreach opportunities; continue Get Graphic after grant expires - programs, classroom kit additions, organize Teen Advisory Group and Board for feedback/assistance in developing ongoing facility use and outreach guidelines	Britt White has continued to speak at conferences and workshops. We have not done much with the Advisory Group or anything on a System level. Claudia Yates did do a Guitar Hero Tournament and was involved with Story Tubes.	

Create model programs for replication		Technology Training: 124 Cyber Train classes were conducted in branch and contract libraries and 34 classes were held in the Central Library Training Lab
		Resume Maker v.15 made available at all public workstations
		Installed DimensionM Math game to all public computers at Central Library and Buffalo Branches
Build and maintain quality collections, both print		
and electronic, based on user needs and long- term vision for library collections		
OBJECTIVES		
Coordinate system-wide collection development plan and	Complete the creation of collection	
introduce a maintenance initiative	development guidelines	Included as part of Special Collections Strategic Plan; not formalized
	Complete the creation of collection development guidelines	Done for branches and contract libraries not for Central
	Establish a system-wide committee for	2010
	acquisition of foreign language materials	
	Begin dialogue with UB Libraries about	Very preliminary steps. Central staff met with UB librarians.
	collaborative collection development	
	opportunities and ILL possibilities	
Prepare for RFID (Radio Frequency ID) project through	Investigate a subscription to JSTOR as	2010
weeding and recon preparation	prelude to RECON of serials	
	Plan process for weeding open and closed	Done for Children's Room, POP, large print, Buffalo Branches.
	stacks at Central, Buffalo Branches and	
	Amherst Libraries in preparation for RFID tag	
	recon	
	Plan timeline for retrospective conversion of	2010
	closed stacks multi-volume sets, serials,	
	remaining monographs and microform holdings	
Provide dynamic, easy to use and useful electronic databases		Reduced the number of databases and continue to evaluate current
Trovide dynamic, easy to use and useful electronic databases	needed	holdings.
Improved public access to and promotion of databases	Migrate to WebFeat Express; rename	Migrated to WebFeat Express, and named databases to Research.
	databases; create an intermediate data base	
	page; archive links to database handouts on	
	blog; introduce database training and	
	podcast on Intranet/Internet	
	Work with Communications Office to develop	2010
	a public awareness/PR plan for database	
	availability and offerings	
Create better measure of outcomes and outputs of library	Develop more creative, innovative and useful	2010
services	means of generating, assessing and	
	evaluating usage statistics	

GOAL 3	Create a warm and welcoming approach in all aspects of library service through renovated and expanded facilities and streamlined services that guarantee quality user experiences		
	OBJECTIVES: SERVICES		
	Ensure public has ready and clear access to all services		
	OBJECTIVES: FACILITIES		
	Plan for short-term Central Library facility upgrades/updates		
	Issue RFP for Central Library facility study with goal of transforming the Central Library as a premium downtown destination		
		area	The Library applied for and received an NEH preservation study grant for Special Collections through CCAHA in Philadelphia. The study will take place in 2010. It will assist in articulating space and environmental needs for SPC.
		Institute roving reference and approachable, easily identifiable staff, modeling the Mississauga model	Roving Reference is being done
		Evaluate all circulation and borrowing procedures to encourage ease of use, self service and equitable access to collections throughout the System	2010
		Enable new features as feasible and available through SIRSI Java update	
		Enable online, patron-placed ILL requests and online document delivery	Done
		Standardize procedures to improve efficiencies: online card applications, storage of library card application data	
	Turn non-library patrons who eat at Fables into Central Library users	Fables area Begin collaborative lunch bag service with	Done
	Approachable and easily identified staff members	Fables t-shirts, buttons, identification badges	2010
	Create regular and ongoing means of soliciting public feedback		2010
	Ensure online catalog is user friendly and accurate	Add patron reviews	2010
	Develop services that highlight collections, reference services and databases	Readers advisory services, highlight new books on Page Turners, 24/7 reference service	24/7 reference is up and running.

Plan for short-term Central Library facility upgrades/updates	Begin space planning for Special Collections	
	area	

			Partially – The Children's Room is painted and new furniture is in
	Plan for short-term system facility upgrades/updates	Children's Room Apply for State construction and / or stimulus	place.
		funds as available	
	Position the Central Library, and other library facilities if qualified, as emergency shelters		
	Public Service needs		All public PCs upgraded to Internet Explorer7 and Microsoft Office 2007
			Podcasts of notable Library programs and events created and posted on Library website
			Combining of the reference desks into one service point at the Central Library; moving the employment and small business collections to the first floor.
	Create regular and ongoing means of soliciting public feedback	ĸ	Conducted public Technology Survey
	Assess need for facilities	North Park Branch Library	North Park Branch storefront library opened in 2010
GOAL 4	Identify key public project initiatives for 2008- 2009		
	Special Collections	Convene a Special Collections Internal Task	Special Collections Committee formed; wider group on hold until after
	•	Force	Rare Books Commission reports completed
		Work with County Executive and community	
			Director and two Board members appointed to the Rare Books
		cultural tourism Develop strategic plan for special	Commission. Completed. Also, developed job titles and descriptions for SPC staff.
		collections	Developed forms for exhibition loan, user registration and deed of gift.
		conections	Established terms of access for Grosvenor Room and Rare Book
			Room. Posted the Richardson Complex section of the Local History
			File on Flickr. Developed specifications for new rare book exhibit cases
			and educational panels. Completed the digitization of the George
			Nathan Newman photographs of Vanished and Vanishing Buffalo and
			the War of 1812 letters and posted both to WNYLegacy.org. Applied
			for RBDB grant from WNYLRC to digitize the Pan Am Scrapbooks;
			started scanning via Hein. Received NEH Preservation Study grant
			from CCAHA. Conducted tours as requested by Development Office. Set exhibition schedule for 2010 and 2011. Developed general
			exhibition budget. Visited rare book libraries at Cornell, Harvard,
			Boston Public Library and the Peabody Essex Museum Library in
			Salem, MA. Visited special collections libraries at the Buffalo & Erie
			County Historical Society and Buffalo State College. Visited
			Digitization Lab and Local History Department at the Rochester Public
			Library. Provided assistance to the Erie County Rare Books
			Commission.

	Litoracy	Introduce Literacy Master Plan detailing	
	Literacy	components of services and timelines	
		including Family Place, Project Flight	
		partnership, After School Services, Buffalo	
		Adult Ed. partnership and programs	Done
	Business and Economic Development and Workforce	Promote current training and workshops and	
	Assistance	schedule sessions at Central, branch and	
		suburban libraries as well as by request to	
		business and trade groups	Much more needs to be done, we have not done much with this.
	Special Collections	Convene a Special Collections Internal Task	
		Force	
		Work with County Executive and community	
		stakeholders regarding Library as focus of	
		cultural tourism	
		Develop strategic plan for special collections	
	Ensure long-term financial sustainability		
	through public and private investments and		
	create a culture of philanthropy within, and on		
GOAL 5	behalf of, the Library System while enhancing		
	the System's image and visibility throughout the		
	County		
	oounty		
	OBJECTIVES		
	Develop new and exiting ways to promote, market and profit	Fables, facility use (Central, other sites)	
	from library assets	bags and other promotional items; larger	Have images that can be sold to public and marketed as posters,
		value art prints and reproductions	notecards, framed prints, etc.
	Build and enhance collaborative relationships with educational,		The Darwin exhibit was joint exhibit with UB. Worked closely with

Develop a comprehensive marketing and branding plan and		2010/2011
timeline for RFP issue		
Work with branch and suburban libraries to create and	Friends groups, advocacy, media relations	Some of the branches attempted to start Friends groups. Additional
implement development and advocacy plans		assistance needed.
Build and enhance collaborative relationships with educational,	Coordinate community meetings through	Done
cultural, arts and government agencies and identify key	Communication Department	
collaborators over next two years and related projects and		
initiatives		
	Establish guidelines for creating and	Postponed
	maintaining levels of partnerships	
Develop a comprehensive communications and advocacy plan		Increased emphasis on using Library's web and social networking
		(Facebook, Twitter) sites to promote Library events and services

GOAL 6	Streamline workflows and promote system-wide opportunities for improving internal operations		
	OBJECTIVES		
		Complete system-wide staffing plan and begin implementation of recommendations as made possible through retirement, attrition, restructuring	Developed staffing model, titles and job descriptions for Grosvenor Room.
		Provide additional opportunities for staff training and continuing education for all levels of staff	Sent Amy Pickard to Rare Book School at the University of Illinois; Suzanne Colligan attended the WNYLRC Digitization Book Camp; Amy Vilz and Amy Pickard completed the WNYLRC Preservation Institute; Susan Cutrona, Rhonda Konig, and Carol Pijacki an online genealogy course offered through the American Library Association. Peggy Skotnicki, Rob Alessi and Amy Vilz attended the Connecting to Collections Conference sponsored by the Institute for Museum and Library Services at the Albright-Knox Art Gallery.
	Improve efficiency of security, circulation and materials	Implement RFID plan	7 City Branches are complete.
		Explore use of swipe cards	2010
		Complete system-wide staffing plan and begin implementation of recommendations as made possible through retirement, attrition, restructuring	Partially addressed; will continue in 2010
	Enhance staff development opportunities		
		Provide additional opportunities for staff training and continuing education for all levels of staff	Considerably more staff training and workshop attendance and opportunities offered in 2009. Additional opportunities to be offered in 2010. In conjunction with Erie County: Slips, Trips and Falls; Back Injury Prevention; Fall Protection; Blood Borne Pathogens; Hazard Recognition; Cold and Heat Stress; Cultural Change; Stride Through Stress; Document Retention and Destruction; Shared Work Program; Administrative Assistants Conference; Effective Comunication; Anger Management in the Workplace; Personal Awareness; Understanding, Managing and Embracing Change; Team Training; Large Scale Change Online: Living and Learning Together; American Library Association Annual Conference; New York Library Association Annual Conference; Get Motivated Leadership Annual Conference; Get Motivated Leadeship Training; Staff Development Day.

		Orientation/on-boarding presentations -	ACT new board orientation; more planned for 2010/ Two "Meet and Greet" employee on-boarding sessions designed to introduce new employees structure, administrative tem and their operational areas of responsibilities
	Create stronger ties with UB's Department of Library and Information Studies		COO Mary Jean Jakubowski and Human Resources Officer Doreen Woods spoke before approximately 35 graduate students in the introduction to Library and Information Studies class at the University at Buffalo's Department of Information and Library Studies on April 13.
GOAL 7	Enhance Technology Infrastructure		
	OBJECTIVES		
	Create infrastructure that enables users easy access to library services and introduces innovative services		
		Redesign and enhance website, intranet and online information tools to improve and introduce additional means of internal communication and public use	Working with Information Technology Department to reformat Special Collections web pages and have GRO staff initiate updates. Posted the Richardson section of the Local History File on Flickr.
		As per comprehensive Technology Plan,including:	
		*New internal e-mail system	Done
		*Update/upgrade public computing	Done
		network and software	
			Ongoing
			Ongoing
		*RFID	Ongoing
	Create infrastructure that enables users easy access to library		e-Books were added to the collection
		Training lab at Central and mobile training	
		'Downloading kiosks	We have not done this due to bandwdith; 2010
		Redesign and enhance website, intranet and online information tools to improve and introduce additional means of internal communication and public use	Ning was added and has been successful

Provide staff with technological resources to ensure peak performance	All staff PCs upgraded to Internet Explorer7 and Microsoft Office 2007
	Sirsi WorkFlows upgraded to Java Client
	Implemented 9xx and EDI ordering with vendor Baker & Taylor
	JavaJabber Blog introduced
	Introduced staff Ning website
	Implemented Exchange 2007 Server and migrated staff e-mail clients to Microsoft Outlook Web and/or Outlook Desktop Clients
	RFID fully implemented at 3 City Branches
	Provided Technical Services staff with larger computer screens to accommodate Sirsi Catalog and Acquisitions Module requirements
	Training classes conducted for Java Client, cart ordering with Baker & Taylor and Facebook Fan Page creation
	Library Board approved Information Technology Security Policy
	Draft 2010-2013 Technology Plan completed for e-Rate application process
Create infrastructure that enables innovative services	Central Library Facebook and Twitter sites created and maintained
	Public wireless access available at all libraries
	Introduced secure lending of laptop computers for in-library public use
	Self check-out introduced at 3 City Branches with RFID implementation
	Successfully administered Gates Opportunity Online Hardware Grant
	that included the addition of 68 public access computers (desktops and laptops)
	Set up six additional T1 lines at neighborhood libraries, providing increased bandwidth
	Network configured and all PCs & peripherals installed at new North Park Library
	Provided a scanner for public use at all B&ECPL libraries
	New copy machines at all library branches
